Every year for National 4-H Week, Denton County 4-H attends Commissioners Court. Here we are able to speak with the County Judge and Commissioners on what 4-H has been up too. Additionally, they issue a proclamation recognizing National 4-H Week. We had a great turnout this year thank you for everyone for attending!
This year for One Day 4-H we did trail clean-up and seed collection at the Clear Creek Natural Heritage Center, led by Denton County Master Naturalist. We had a great turn out, with almost 40 members and volunteers in attendance!
The Whisking Wizards (Argyle) placed first in the Senior Division (Side Dish) at the District IV Food Challenge! They will be moving on to State at the Texas 4-H Round-Up!

We also had numerous other teams that did great!:
- Crafty Cooks (Ag. Leadership) - 1st place Juniors
- Flavor Doctors (Ag. Leadership) - 1st place Intermediates
- Baking Buddies (Ag. Leadership) - 2nd place Intermediates
- Sizzle Squad (LDMS) - 4th place Intermediates
- Simmer Down (LDMS) - 5th place Intermediates
- Kings of the Kitchen (Heart of Denton) - 4th place Seniors

If you would like to nominate your club or member please contact the Denton County Extension Office!
WELCOME TO TEXAS 4-H

Texas has more than 550,000 youth who are involved in 4-H experiences each year and we are pleased that you have decided to join 4-H! Here is some information about our enrollment process and how we need your partnership in getting your membership entered and approved. All membership records change to an inactive status in August. The Texas 4-H year officially starts on September 1 but enrollment opens on August 15th. Enrollment procedures and payment method options vary in each county, so check with your local county office for more information.

### Youth Club Member Participation Fee
- **$25.00 August 15 - October 31st**
- **$30.00 November 1 to the completion of 4-H year**
  (clover kids are free)

### Adult Volunteer Application Fee
- **$10.00**

### About 4HOnline!
- 4HOnline is the official registration system for adult and youth members directly involved with 4-H.
- 4HOnline is a partnership between the 4-H family and the local county office. (counties.agrilife.org)
- 4HOnline is a secured system that is in compliance with the PCI Security Standards Council. Texas 4-H nor 4HOnline shares or sells any personal information to third party vendors without your knowledge or permission.
- 4HOnline is based on “zero-based enrollment.” Each year at the start of the enrollment cycle all 4-H membership in Texas goes to zero and everyone must re-enroll. This process is based on federal accounting policies.

### Did You Know?
- Most questions can be answered by calling the local county office. (counties.agrilife.org)
- An approved youth or adult member record means a person is officially enrolled with Texas 4-H.
- An approved youth or adult member record means a person can register for state or district level events.
- Adult volunteers are required to be screened through the Texas 4-H Youth Protection Standards program every three years. The screening process can take up to two weeks.
- A youth that is 8 years old and going into the 3rd grade must wait until September 1st to enroll for proper fees to be accessed. The Texas 4-H year officially starts September 1.
Every month, the County Council meets one Monday at 6:30 PM. County Council consists of county officers and delegates from each club. The county officers are elected to serve all of Denton County each year. Additionally, each club selects up to two delegates to represent them each month. The role of the club delegate is to serve as a liaison between their club and the county, serve as a voting member of the county council, and update the group monthly on their club's activities.

At the same time, our Parent Leaders Association (PLA) meets in a separate room. Any 4-H parent or volunteer is welcomed to join our club and project leaders each month. PLA helps plan events/activities and make decisions in conjunction with the county extension staff that is for all of Denton County 4-H.

If you have any questions about County Council or PLA, please reach out to our 4-H Agent Steven Baringer or PLA President Emily Holt.

Meeting Dates:
November 15th
December 13th
January 24th
February 28th
March- TBD
April 18th
May 16th
We are looking for adult volunteers to serve as club managers and project leaders! Make a difference in the lives of our Denton County youth by assisting them in gaining knowledge and skills through 4-H.

**Interested in volunteering with us?**

Email victoria.scott@dentoncounty.gov for more information.

Your time and talents can make a big impact.

Here are some ways you can help:
- Lead a community club
- Extend your STEM knowledge
- Introduce youth to photography
- Mentor youth in veterinary science
- Share your passion and experience by assisting them in gaining knowledge and skills through 4-H.

SHOOTING SPORTS

Erik Dieterich
Texas 4-H Shooting Sports Ambassador

Breaking clays, punching paper, and flying arrows are all part of the 4-H Shooting Sports project. If you enjoy the outdoors and hunting, now is a great time for you to join the fun that Texas 4-H Shooting Sports has to offer. Through the Shooting Sports project, you can learn self-discipline, self-confidence, firearm safety, sportsmanship, and leadership.

My name is Erik Dieterich and I am a member of the Texas 4-H Shooting Sports Ambassadors and a Denton County 4-H Council. I am a 12th grader that has been involved in 4-H for 10 years. Shooting Sports has been one of my main projects for the past 9 years. My two disciplines are pistol and shotgun. Four years ago I became a certified assistant pistol coach. Shooting sports has taught me leadership, discipline, and patience. I want to encourage others to participate in the Texas 4-H Shooting Sports project.

4-H is the nation’s largest youth development organization which uses the “learn by doing” approach. 4-H is a community of young people across America who are learning leadership, citizenship, and life skills. 4-H is about having fun, learning new things, exploring, and discovering. In 4-H, young people make new friends, develop new skills, become leaders, and help shape their communities.

In Denton County, you can experience shooting in several types of disciplines: pistol, rifle, shotgun, and archery. This project covers firearm safety and teaches responsible handling and use. You will learn how to load and shoot a variety of firearms and how to properly maintain them. Before starting, you will be required to attend a Safety Training course for your desired discipline. This course will be led by one of Denton County’s 4-H Certified Coaches. All practices will be conducted under the supervision of a Certified Coach. If you would like more information about 4-H Shooting Sports in Denton County, please contact Victoria.Scott@dentoncounty.gov.

ALL PROCEEDS BENEFIT THE CENTRAL TEXAS YOUTH FAIR
FOR MORE INFORMATION CALL/TEXT KYLE FIELDS (254)366-6038
Hey Denton County 4-H family!

We hope that this finds you all doing well and enjoying the amazing weather! It is time for Operation Christmas Child again and we would love your help! Each year our youth have rallied their clubs, families and neighbors to help fill shoeboxes with toys, school supplies and other fun items to reach children in need all across the world. This will be our fifth year doing this project as a county and we would love for everyone to help join in the fun! You can do this alone or as part of a group, and there are plenty of ways to fill boxes...

To Pack a Shoebox:

- Decide what gender (boy or girl) and what age group (2-4, 5-9 or 10-14 years old) you are packing for.
- Select “wow” item(s)…this could be something like a soccer ball with pump, doll, stuffed animal, Legos, etc.
- Include school supplies…crayons, color pencils with sharpener, pens, notepad, coloring book, solar calculator, ruler, scissors, paint/craft kits, etc.
- Necessities/Personal hygiene items could include hairbrush, hair accessories, soap, washcloths, toothbrush, socks, underwear, hats, gloves, flip-flops, shirts/outfits, small blanket, drawstring bag/backpack, cups/water bottle, plate, bowl, utensils, etc.
- Other fun items…age appropriate games (marbles, deck of cards, etc.), cars, etch-a-sketch, yo-yo, sunglasses, jewelry, scrunchies, flashlights with batteries, musical instruments (kazoo, recorder, harmonica), small toys, etc.
- For older children…consider putting together fishing kits, sewing kits, gardening items (gloves, spade), multi-tools/tools, clothesline with wooden clothespins, etc.

Consider:

- At your Club meeting, make items for members to put in their shoebox. For example, bracelets, jump ropes, tote bags, homemade cards, wooden cars, etc. Pinterest and the internet have a wealth of ideas out there!
- Take your family and meet up at a store with a couple of friends and go shopping locally to fill a box (or two).
- Host a packing party where everyone brings items to pack shoeboxes.
- Recruit others you know (neighbors, teammates, classmates, extended family members) to join in.
- Order supplies online (Amazon, Wal-Mart, Dollar Tree, etc.) or do Click-n-Pull if you prefer to not shop in person.

Because of our sizable contribution last year, we have been gifted over 500 OCC shoeboxes for our organization to fill ~ and we would LOVE to meet or even beat that challenge! Please get with your club members and find out how many of these boxes you would like and we can arrange to get them to you!

The National Collection Week is November 15th - 22nd. Please bring any completed shoeboxes to the Denton County 4-H PLA/County Council meetings in October and November OR reach out to arrange a drop off!

Additionally, we have a new link available to allow people to build a Shoebox online! https://sampur.se/3ALvznA
Regardless of where they live, they can contribute to this worthwhile cause on behalf of Denton County 4-H. We would truly appreciate your help with sharing the link through your social media platforms.

In 2019, our Denton County 4-H youth were able to fill enough shoeboxes to make a difference in 180 children’s lives! In 2020, we more than doubled that total with 430 boxes! Thank you so much to everyone who has helped with OCC shoeboxes in the past. We would be thrilled to have you join this fun project as a family or club so that we can continue to make a difference in their lives. As the 4-H motto says, "Let's make the best better…for our world!"
