- 4HOnline is the official registration system for adult and youth members directly involved with 4-H.
- 4HOnline is a partnership between the 4-H family and the local county office. (counties.agrilife.org)
- 4HOnline is a secured system that is in compliance with the PCI Security Standards Council. Texas 4-H nor 4HOnline shares or sells any personal information to third party vendors without your knowledge or permission.
- 4HOnline is based on "zero-based enrollment." Each year at the start of the enrollment cycle all 4-H membership in Texas goes to zero and everyone must re-enroll. This process is based on federal accounting policies.

Is it really October already?

October is a busy month with National 4-H Week, State Fair & Heart of Texas Fair, Food Challenge and more. We have started the 4-H year off strong! We currently sit at 270 total enrollments. With 197 Club Members, 46 Volunteers, and 27 Cloverbuds. We expect these numbers to rise even more as the year goes on.

Texas 4-H has this new marketing campaign: 4-H 4 More. The new campaign to be used across the state of Texas, in hopes to increase Texas 4-H membership. We will be using the slogan over the next two to three years as a way to encourage new members to join the program. We believe all youth can find their spark in 4-H, they just have to be introduced to it first. Join us in creating 4-H opportunity for more youth by inviting four more youth into the program. We're challenging each 4-H member to invite four friends to join 4-H.

Incentives for participation include:

1. New member: 4-H 4 More t-shirt
2. New members: Membership refund
3. New members: Leather portfolio
4. New members: Backpack and state recognition

Let's continue to invite our friends to a 4-H Club or Project meeting! Maybe you will get some cool prizes along the way. For more information, please contact the office.

Until next time,
