

# Writing your 4-H story:

**Introduction:** You need some bit of information that will catch the readers attention.

Something that happened during the year or something that will give the reader insight into you personally. This should not be more that 1-2 paragraphs.

## Introduce yourself:

Name

Age                      Where you go to school

Family                What your parents do for a living      Siblings                Etc...

Community        Where do you live

Why you joined 4-H

## Main Project:

How long in project

What do you do in project, shows, clinics, tours

What have you learned

Project goals

How has your project changed over the years

Leadership and Community Service within the project

## Other projects, do for each project listed in book

What project entails

Goals

What you learned

Leadership and Community Service within project

## Community Service

What did you do

What did you or others gain from the experience

## Leadership other- club or council officer, attend camps, ULTRA, all other leadership activities

What skills have you developed

How have you promoted 4-H

## Conclusion:

Next years goals

Future plans, college or careers
